STEPHEN CARRABBA
Founder and CEO of Expense Consulting

"We are thrilled to expand our offerings for the healthcare industry. I am deeply committed to equalizing opportunities for operators and empowering our clients to optimize the value derived from their partnerships. Striking the delicate balance between upholding quality standards and minimizing costs is paramount, and our team of experts is dedicated to achieving this equilibrium on a daily basis."

JBH Advisory Group, a highly-respected healthcare advisory firm, brings its expertise in hospitality and operational process improvement to the table.

JBH has a deep understanding of the unique challenges and opportunities within support services (such as food and nutrition, housekeeping and laundry) for healthcare organizations, and provides strategic guidance to help clients thrive in an extremely challenging industry. Over the last 13 years JBH has served over 650 healthcare clients.

LYNNE JACOBY

Founding Partner, JBH Advisory Group

"This collaboration is not just about combining services; it's about joining forces with a like-minded partner. Both organizations share a commitment to reducing costs without compromising the resident, patient, staff and guest experience. Together, we are poised to set a new standard in the industry, ensuring that our clients not only achieve their financial and operational goals but also deliver an exceptional experience to those they serve."
